

## Support Finder

### What is Support Finder?

Support Finder is a digital tool within the ASB Mobile app to help customers identify the benefits and services that the government provides within minutes.

### How does it work?

ASB customers simply answer a few simple questions about their living situation to get a list of government benefits and services that they could be eligible for. They will then be connected to the relevant provider to start the application process.

### Who is it for?

Support Finder is for any ASB customer who may want to find out what financial assistance they could be eligible for and how they can apply.

### How can it be accessed?

Support Finder can be found in the latest version of the ASB Mobile app in the menu bar.

### Where can I find more information

Search Support Finder on [asb.co.nz](http://asb.co.nz) for more details.
